ABBAY

Meet the Abbey collection, a beautiful narrative of countryside living. Displaying a vibrant blue glaze, this collection has a contemporary farmhouse look with a hint of nostalgia.

The collection includes a five-piece dinner set, a generous jug that is ideal for refreshing drinks on the table or freshly cut flowers, three serving pieces, and three sizes of bakers. Alongside, charming kitchen accessories and bowls with a unique splatter finish applied randomly by hand; perfect for cooking or just displaying in the kitchen.

POTERIE

Casafina takes a modern approach to vintage culinary French pottery with its collection Poterie.

Inspired by the timeless gems of “Poterie en Grès”, the collection pairs unique kitchenware and dinnerware pieces with different shapes, textures, and dramatic finishes, welcoming a casual look to any home.

Vintage mixing bowls come in 3 sizes and showcase a spectacular reactive glaze on the interior, contrasting with a darker, matte glaze on the exterior. The collection also includes generous oval platter, pitcher, cruet, and spoon rest.

A 4-piece dinnerware set is available in two colorways: a vibrant caramel and a multi-tone cream-caramel. Each plate and mug features a hand-brushed rim that adds a rustic touch to the table. Simple, yet robust, these pieces will become a favorite.

MALLORCA

The Mallorca collection captures the natural landscape of the famous Mediterranean island, a haven of turquoise waters, soft golden sands, and impressive cliffs.

Mallorca shares its DNA with our Eivissa collection, featuring reactive glazes of sand-beige and sea-blue patterns. Yet, its soft and scalloped edges suggest a more exquisite look. Combine both collections for a casual and eclectic look.

Due to the reactive glazes, the blended patterns of sand-beige and sea-blue will vary slightly, making each piece one-of-a-kind.

TABLE / NEW 2022 MALLORCA

With its soft and scalloped edges, Mallorca resembles ocean waves and beach shells, an exquisite and romantic look that adds charm to any table.

NANTUCKET

Slightly organic in shape, the Nantucket collection features beautiful blue stripes that resemble ocean waves.

The inspiration for this tableware collection comes from the charming Island of Nantucket (USA), where beaches are always perfectly windswept and life meanders at a slower pace.

TABLE / NANTUCKET

The collection features new serveware pieces and salad plates in two different patterns - stripes and dots - a perfect way to create playful layers on the table. You can also use them as side plates for serving tapas and small appetizers.

TABLE / PACIFICA

The collection also features a beautiful selection of mixed materials combining wood, leather and stoneware.

TABLE / PACIFICA

Soft colors like marshmallow rose create a serene and comforting space. Used alone or combined with other pastel colors like vanilla, it also reflects nostalgia, romance and well-being. By contrast, stronger colors like blueberry add a bold statement to the table, without losing the carefree mood of the collection.

SARDEGNA

Sardegna has the artistic style of a potter's creation. The collection includes generously sized dinnerware and a wide assortment of serveware and accessories that are amazingly durable, yet moderately lightweight. All pieces are hand-finished with a rustic glaze around the rim.

TABLE / SARDEGNA

The color palette – white, deep turquoise and soft grey – is inspired by the natural hues seen on the coastline of Sardinia.

THE NUTCRACKER

Tchaikovsky's famous ballet has captivated generations as a beloved holiday tradition.

Casafina brings the spirit to your table with its Nutcracker collection.

The collection showcases original illustrations that capture the ethereal images from the beloved ballet and consists of a variety of dinnerware, serveware and decorative pieces.

Reminiscent of a childhood memory, The Nutcracker features several patterns of dancing figures, sweets and fairies, pine forests, toy soldiers, the Mouse King, Clara, and, of course, the Nutcracker. The collection's rippled edges and hand-brush rims complement the romantic white glaze.

This complete collection will delight all family and make the holiday season more meaningful and memorable.

Uniquely textured with a micro waffle weave, Osteria towels allow for an elegant mix of colors in your kitchen. The waffle weave is not only lightweight and extremely absorbent, but the texture softens with every washing. Osteria's modern, minimal look is a welcome change from the traditional kitchen towel.

100% Cotton, waffle weave, garment dye. Made in Portugal.

Creating a sustainable environment, project-by-project:

1. SUSTAINABLE CERAMICS

- Eco-friendly products, reusable and recyclable
- The use of local natural resources minimizes our ecological footprint
- Single fired production that saves energy and reduces emissions into the atmosphere
- Products are made with a high % of recycled materials (clays and glazes), decreasing the use of capital, energy, and natural resources.

2. SUSTAINABLE FACTORY

- Industrial facilities that are environmentally-friendly
- Efficient and innovative energy sources
 - Use of solar panels
 - Waste management policies and recycling procedures
 - Advanced water treatment and reduction of water consumption practices
 - Recycled and recyclable packaging.

3. SOCIAL RESPONSIBILITY

Producing ceramics in a socially responsible environment is a vital element to Casafina.

- Our 740 employees are our greatest assets
- We make it our mission to commit to ethical business practices and high standards for human rights
- Building a responsible social culture is the foundation of our business (job creation, philanthropy programs devoted to increase the well-being of the surrounding communities, gender diversity, equality and social inclusion practices)
- We promote and encourage environmentally friendly practices amongst all employees and suppliers.

PRODUCT GUIDE

Fine Stoneware

All our stoneware collections are manufactured in Portugal using a single firing system at high-temperature (1180°C / 2160°F).

This original formula creates a unique ceramic body very resistant to both thermal and mechanical shocks.

All stoneware products can be safely used in the oven, microwave, and freezer. As a precaution, you should avoid placing the pieces straight from the oven on a cold surface. Do not use it over a direct flame. Avoid the use of products with craquelée surfaces such as Dori collection in the oven and freezer.

They are also dishwasher safe.

To ensure the items last longer we advise you to make sure that no item can rub or bump against another during the wash cycle, preventing damage. As a precaution, we recommend you wash oversized items and more delicate pieces by hand.

All pieces used for eating and serving purposes, meet the standards established by the U.S. Food and Drug Administration (FDA) with regard to lead and cadmium content. They are food safe.

Gold-rimmed stoneware items:

- Featuring a hand-painted 18-karat gold rim;
- Not microwave safe;
- Hand wash recommended.

Terracotta (Earthenware)

Made in Portugal by artisans, Casafina's ceramics are handmade and handpainted. It is normal to expect slight design and color variations from piece to piece.

Earthenware is low-fired and has a tendency to "craze" (form minuscule lines) with repeated use. This crazing is the nature of earthenware products and does not have any significant effect on the ceramics.

Most terracotta/earthenware items are dishwasher safe, provided they are handled carefully as with any other handmade product. However, hand washing will prolong the life of the product. We do not recommend use in a microwave.

Cork

Our cork collection and our Ensemble collection cork trays are made in Portugal from 100% natural cork.

Keep your pieces as new with only two tips: for daily cleaning we recommend you use a damp cloth to remove impurities; when necessary you may use a cloth moistened with water and mild soap. Store protected from sunlight, moisture, and heat sources. Avoid strong alkalis (dissolves cork). Although food contact safe, to avoid smoke smell, and taste transfer, do not place food directly.

Flatware

Made from high-quality stainless steel (18/10), Pacifica flatware collection in a brushed finish is crafted for exceptional durability and sustainable for everyday use. To maintain the original qualities of all pieces we advise some extra care:

- Remove all the residues after each use, in order to avoid prolonged contact with cutlery pieces;
- For manual washing use hot water, a neutral detergent, and a soft cloth/sponge;
- Do not use abrasive or mechanical aggressive agents;
- Cutlery should be placed in the dishwasher's basket or tray; knives separate from other cutlery;
- After each dishwasher cycle, it is highly recommended that cutlery must be removed from the basket and well dried with a soft cloth;
- There should be special care with the knives and the blades, due to their extra sharpness. As they are more susceptible to oxidization, they should be carefully dried after each wash.
- In order to recuperate the original shine and remove lasting stains from a lesser quality washing, a soft cloth with drops of lemon juice can be used;
- Do not keep your flatware in humid places.

Glassware

Made in Europe, our glassware collections can be safely used in the dishwasher. However, hand washing will prolong the life of the products, especially the more delicate ones. To maintain the original qualities we advise some extra care:

- Before placing glasses in the dishwasher it is advisable to rinse them in lukewarm water to eliminate any residues;
- Washing glassware by hand: hand wash glasses individually with a non-abrasive detergent, warm water, and a soft sponge or cloth;
- In the dishwasher: place glasses in the appropriate rack to avoid scratches. The washing temperature for the dishwasher should be 65°C (140°F) with a rinsing phase at 65°C (149°F) and a washing cycle of approximately 90/120 seconds. Carefully dose the brightener, an excess amount may cause iridescence on the glass surface, and a poor amount leaves water drop marks on the bowl. At the end of the washing program, open the door and leave it ajar for 5-10 minutes to vent steam and avoid the formation of halos on the glass due to condensation;
- Dry with a microfiber cloth.

Glass Domes and Glass drink dispenser with stand

Each dome is mouth-blown glass, a fascinating handmade process which ensures that each piece is one-of-a-kind.

To maintain the original qualities we advise some extra care:

- Wash before first use;
- Dishwashing is not recommended;
- Wash after each use with a non-abrasive sponge;
- Dry with a soft towel to avoid spots.

Kitchen and Table Linens

Made in Portugal of high-quality Portuguese cotton and linen, our kitchen and table linen collections are easy to use and care for. They can be machine washed up and iron up according to the specifications of each fabric.

Metallic stands

Our painted metallic stands are made in Portugal. When necessary we recommend to clean them with a moistened cloth.

Placemats

Vintage Port placemats are made of PU - artificial leather (phthalate-free vinyl). Wipe the placemats with a damp cloth. When necessary you may use a mild soap. Do not put them in the dishwasher or immerse in water.

Wood

Our wood boards, lids, baguette (Pacifica collection), stands (Forma collection), trivets, paper towel holder (Abbey collection) and kitchen utensils are handcrafted in Portugal of premium quality European oak. All pieces are coated with food safe oil.

Fattoria and Poterie paper towel holders are made in Europe of beech wood. They are not coated. Natural variations in the wood's tone and grain make each piece unique.

Handwashing is highly recommended. Wipe the wood pieces with a damp cloth. Do not soak. You can use mild dish detergent when necessary. To maintain the original qualities of all pieces, occasionally rub them with food-safe mineral oil. Use the boards for dry food only.
